iphone ringtone P.s. To the other users of the forum, who are actually adding new answers, could we please not put unnecessary inline pictures? They are not necessary. A: It's pretty late now, but in case anyone else comes across this, here's my response for a new answer. If you want to create a thread for each feature of the application, then you need to create a single question per feature in the form: does For example: Show line graph for "Energies" feature Does the line graph show the Energies (bar) and Imbalance (pie) for each vertex? Would be an example question for that feature. Show line graph for "Imbalance" feature If you want to ask a question for more than one feature, then you need to post a new question and ask the same question for each feature. This gives the best overall result. If this is your first visit, be sure to check out the FAQ by clicking the link above. Re: Episode 46 Discussion/Speculation Thread I'm pretty sure he'll end up with the same personality he had as a kid, like how his dad was. The guy seemed to be pretty humble as well. I was definitely surprised when he said to William that he was there when he was there. I wonder if with all the survival training, Gio will be the one to point the kill shot at Garret. I hope not, even though I'm sure he's a capable sniper with a gun like that. The guy is so patient, I wonder if he'll be able to stay calm as he waits for his chance.
